The Mini Dance Camp is a wonderful way for young students to improve their dancing skills in a fun and relaxed setting. Classes will be offered in jazz, hip hop, ballet, line dance, creative movement, and more. Dancers will also participate in theatre games, group singing, and crafts. Our faculty will divide the camp children for some classes according to age and ability. Other activities such as crafts and theatre games will be done as a group. Fridays are "Bring a Buddy Day", and each child may invite a "buddy" to come along for the day. These camps are well supervised and staffed by PMD's experienced children's dance faculty.
